

Antelope Valley Learning Academy

Student Agreement for Internet Access

All active students, regardless of age, parents and guardians must read and sign below.

I have read, understand and agree to abide by the provisions of the attached Acceptable Use Policy of Antelope Valley Learning Academy ("AVLA" or "School")

AVLA will be offering Internet access and instruction to all students participating in the Computer Lab Program. Also students will have general Internet access if they choose to do their educational assignments on an available AVLA computer. The Internet provides a large amount of valuable information available at colleges, universities and government agencies here and around the world.

Students will be under the supervision of a teacher/tutor to guide the students through the vast resources of the Internet and also to minimize the possibility of students accessing material that are inappropriate for minors, while participating in the Computer Lab Program. However, AVLA cannot guarantee that such material will not be accessed by a student enrolled program or when a student is working on their educational assignments on an available AVLA computer.

Please complete and return this form if you agree to allow your child access to Internet services according to the terms below.

I understand that my child will be held accountable for all activities including, but not limited to, the content of materials sent or received by mail, news or any other means using internet account privileges. I also understand that my child must abide by the Internet Code of Conduct Policies of AVLA as stated in the Parent/Student Guidebook. I also understand that use of the system will be for educational purposes only. Should a student commit any violation of this agreement, school disciplinary action and/or legal action may be taken.

I agree not to hold Antelope Valley Learning Academy nor any of its employees nor any of the institutions or networked providing access to the Internet liable for the performance of the system or the content of any materials accessed through it.
