Student Name _____

Our school may qualify for various federal and state grants this year. By taking time to fill out this income survey, you can help us provide the additional resources necessary to serve all of our students. It is our goal to provide students with the best opportunity to learn that we can offer, but we need your help. Generally, schools whose families have eligible incomes based on the free and reduced lunch programs may qualify for special grants. Please note that these grants are only based upon the number of students that would qualify for free and reduced lunch programs if such a program was offered. We do not currently have plans to offer a lunch program. Please review the eligibility requirements; if you would be eligible, please return this questionnaire.

Eligibility Definition:

- Children who are members of food stamp households, California Work Opportunity and Responsibility to Kids (CalWORKs) assistance units, or receive benefits from the Food Distribution Program on Indian Reservations (FDPIR) are automatically eligible regardless of the income of the household in which they reside.
- Children from households whose income is at or below the levels shown may be eligible for free or reduced price meals.
